## **LOVELAND FARMERS' MARKET Performer Guidelines**

LFM's goal is to create a vibrant, gathering place where individuals can interact with farmers and producers while learning about sustainable living and enjoying educational and entertainment activities.

- 1.** All performers/entertainment will be subject to approval prior to performing at the market and shall be referred to as performer in this document.
- 2.** The Loveland Farmers' Market will provide a covered stall for the performer. Spaces are 10 feet square and location is the decision of the market. Canopy will be weighted at all times for the protection of the customers and the performers and will be set in place by 2:30 pm. There will be no penetration of the asphalt parking lot by any performer supplied items. Any damage to the asphalt will be billed to the performer as dictated by the venue.
- 3.** Any audible entertainment shall be at a decibel level which enhances the market experience of our vendors and customers. The Market Manager reserves the right to request the performer to decrease the sound level. Performers shall comply with all rules and regulations of the State of Ohio, and the City of Loveland relating to the products they sell (including but not limited to: State ID Tax #, sales tax, labeling and processing laws, insurance, etc.)
- 4.** The Loveland Farmers' Market is covered by a limited liability insurance policy.
- 5.** Performers are expected to arrive by 2:30 pm, be set up and ready to perform at 3:00 pm and stay until 6:30 pm.
- 6.** In the event that the Performer is unable to keep their commitment, they must notify the Market Manager in advance of their performance date.
- 7.** Performers will be paid by check on the day of their performance.
- 8.** Performers may display a tip jar. Sale of performer CD's is also permissible.
- 9.** There is no smoking allowed at the Loveland Farmers' Market.
- 10.** After each market day, performer spaces must be cleared of debris.
- 11.** Communications between the Market and the performers will be handled through e-mail whenever possible. Please ensure that the Market has your current e-mail address.
- 12.** If performer uses signage, it must be a professional looking sign, which clearly and legibly lists the name of their business.
- 13.** Any disputes between performers and other vendors will be handled in a professional manner by the Market Manager.
